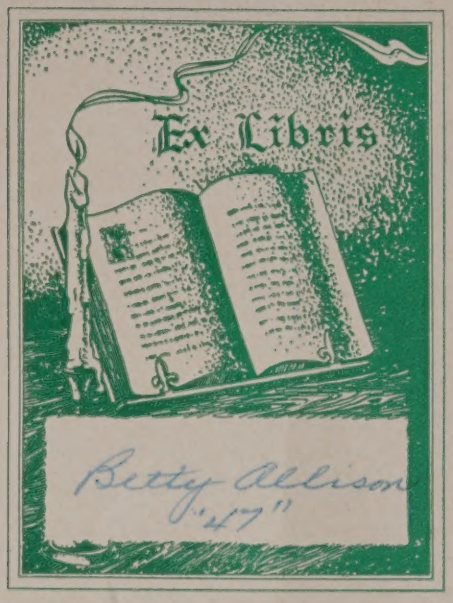
Trireme

1947



Dear "Bets"

Remember all the wonderful times we've had together. I'll never forget the boy trouble you are always having. The last one was the worst, I guess. When you go to Wooster don't give all those big handsome bruisers such a hard time. I'll never forget the night I slept with you. What did we talk about? Well, I guess I've run out of words so Good luck and I wish you all the happiness in the world. Don't forget to write. (maybe this will remind you.)

Love always,
Lucille

Dear "Bets"

Well Betty I didn't really get to know you until this year. You've been a swell girl to know & one of my best friends. (I hope) I don't know which got hurt the most you or Mr Grant. Well I can't think of much to say so I wish you all the luck in the world. I suppose after you finish College you will end up as a housewife.

Loads of luck. Love.

Don't ever forget me

Betsy

The Ford City High School Band is one of the most prominent organizations of the school. With its forty players, six snappy drum majorettes and four color bearers, the band did well its part in the football games this past season. The band has always shown itself willing to do its bit in all community activities.

This year four members Pat Fester, Pat Green, Lee Ray Green, and John Stroud were chosen to represent our school at the Central Western District Band Festival held at Meyersdale. Fifteen members also attended the County Band Festival at Dayton. After long hours of work, patience, and cooperation the annual spring concert was presented in May.

Under the direction of Mr. Zimmer the band rehearses every Tuesday and Thursday evening after school.

Officers for the 1946-47 school term were:

President ..... Albert Kovar
Secretary ..... Betty Allison
Librarian ..... Lee Ray Green
Manager ..... Ronald Bryan

The Senior High School Orchestra under the direction of Mr. Zimmer normally receives less publicity than does the school band and the choruses. This year, however, for the orchestra, things were different. This year for the first time our school was represented by five members, Beverly Hoy, Dorothy Ann Reisgen, Lee Ray Green, John Stroud, and Albert Kovar at the Central Western District Orchestra held at Somerset. Fifteen members represented our groups at the County Orchestra Festival at Freeport. Our orchestra also was converted this year into a concert orchestra. Throughout the year we played for the regular senior high assemblies and in the spring we gave a concert.

Our officers for the 1946-47 school term were:

President	Ronald Bryan
Secretary	Pat Green
Librarian	Albert Kovar
Manager	Blair Green

The Junior High Orchestra

The Junior High Orchestra is proud that it can contribute to the school by preparing its members for a position in the Senior High Orchestra. The crowning event in our year's activities is that of providing the music for the Freshmen Commencement. We also assisted the senior orchestra in several selections in the annual spring concert and in the orchestrial music accompanying the Christmas Cantata. The orchestra appreciates the opportunities provided our group under the able direction of Mr. Zimmer.

Our officers for the 1946-47 school term were:

President ..... Tom Stroud
Secretary ..... Barbara Bouch
Librarian ..... Richard Humes
Manager ..... James Manes

Mixed Chorus

One of the outstanding musical productions of the year was the **Sacred Christmas** concert presented by the Mixed Chorus under the direction of Miss Thompson. The program consisted of Christmas carols sung by the entire chorus and by selected groups. Solos were rendered by John Portasik, Beverly Hoy, Jean Renaldo and Rose Kovalosky.

Our Mixed Chorus was represented at the District Festival at Kittanning and the County Festival at Apollo.

All of the senior high choruses under the direction of Miss Thompson gave a colorful spring concert in March. The brass sextet played several numbers during the program. Maurice Hobaugh, accompanied by Lee Ray Green at the piano, played the cornet solo "Palms".

Vocal solos were sung by Jean Renaldo, Betty Jean Roberts, Lee Ray Green, William Kovacik, and William Bair.

Groups from the mixed chorus presented numbers in Commencement and Baccalaureate Services.

The mixed chorus did its work this year under the leadership of the following officers:

Students and Industry

Within our classrooms we have been offered numerous opportunities which might help us to fit into this great industrial program which all of us are facing.

In our home economics classes our girls are learning how to meet the important problems with which the homemaker is faced.

Through our science department we have been ushered into that great unknown field by which much of the world's marvelous achievements have been reached.

Recognizing too that the economic prosperity of a people is dependent to a degree upon their knowledge of business principles and skills, our school prepares us by instruction and practice in the commercial field.

Realizing that without art and the things of beauty our life would be drab and colorless, the art department endeavors to open for us that gate of self-expression.

The Tri-Hi-Y

The purpose of the Tri-Hi-Y is to create, maintain and extend throughout the school and community high standards of Christian Character.

It was a busy and successful year for the club. Besides the usual events in the program of the organization they sold refreshments at the home football games and sponsored a "Tag Day" for the March of Dimes. Other events of the year were a Christmas Party for the first and second grade pupils and "clean-up week" for the school. The newest service which the Tri-Hi-Y added to their already long list is the impressive Friday morning devotional exercises which were broadcast throughout the building over our public address system.

The Tri-Hi-Y may well appreciate the guidance and help which Miss Thompson has given them.

The Trireme Staff congratulates the Tri-Hi-Y for its services in our school and community.

Since the Gregg Secretarial Club was organized in 1933, it is one of the most active clubs in the school. It is composed of advanced students in shorthand and this year has 12 members. Meetings are held regularly every two weeks. Its primary purpose is to conduct business meetings in accordance with parliamentary law, to secure actual secretarial training, and promote a friendly spirit among the fellow members.

The biggest project undertaken by the club was the business management of the Trireme. The members sold 615 yearbooks in one week's time.

On the lighter side—the club had several parties and skates. As is the custom each year, an outing in Pittsburgh will be enjoyed by the members at the end of the school term.

The heads of various committees are as follows:

JUNIOR VARSITY FOOTBALL

Sept. 7 Ford City 0—Vandergrift 22

A big experienced "Lancer" eleven, as usual, beat us in our opener. Bair's defensive play was tops but even that was not enough. Maybe next year??

Sept. 14 Ford City 19—Evans City 0

Playing under lights for the first time in the history of the school, we beat a tough Evans City team. Madzy, Stivason, and Caruso scored touchdowns and Caruso split the upright for the extra point.

Sept. 19 Ford City 0—Har Brack 12

Playing in a drizzle throughout the game, we suffered our second setback of the campaign. Penetrating Har Brack's territory all evening, we were unable to push over a tally. Madzy's flashy running and Kuvic's brilliant line play were the standouts of the evening.

Sept. 26 Ford City 27—Swissvale 0

Spirited by the pile-driving of Larry Smith, we rolled to victory over a big Swissvale team. Sacik, C. Gurski, Lloyd, and Stivason scored touchdowns with Caruso adding the extra points. This made us possible class "A" contenders.

Oct. 5 Ford City 9—Tarentum 0

Seconds before the intermission Caruso lifted a 25 yard place kick through the uprights to give us a 3-0 lead at halftime. The passing of Sacik and receiving of "Chet" Gurski not only were the standouts of the game but also set the ball on the 2 yard line from where Smith plunged it over.

Oct. 12 Ford City 14—Leechburg 7

Overconfident, we almost suffered our first defeat in class "A". After Gurski scored on the fifth play of the game, we were stopped cold by a determined Leechburg team. They tied the game in the final period but Smith tallied to put us ahead once more. Only time saved us as Leechburg was on the 5 yard line at the whistle. Caruso added the extra points.

Oct. 19 Ford City 6—Springdale 19

We were eliminated from class "A" by a strong, fast Springdale eleven. "Chet" Gurski scored our only touchdown on a 20 yard pass. "Ninie" Zacour and Byron showed good line play.

Oct. 24 Ford City 6—Arnold 20

We played spiritless ball at Arnold after being eliminated by Springdale. "Skip" Lloyd's passing gave us our only score as he flipped one to Madzy in the end zone. Zacour again showed great line play as he stopped the Arnold attack time after time.

Nov. 1 Ford City 13—Punxsutawney 0

Finding ourselves again, we bounced back to win our fifth game of the year. Madzy, running beautifully, scored both touchdowns with Caruso adding the extra point. Scripps and Holizna played superb ball.

Nov. 8 Ford City 19—Kittanning 0
